

Riverdale Middle School Student Recognized For Her Exemplary Academic Achievements

Ms. Ashley Brooks received a proclamation from the City of Riverdale in recognition of her exemplary qualities of leadership, dedication and excellent record as a student at Riverdale Middle School.

Ashley was chosen as one of three representatives from Georgia to attend the Junior National Young Leaders Conference (JrNYLC) held in Washington, D.C. on March 8-13, 2009. While there, Ms. Brooks joined a select group of middle school scholars from around the country for a life-changing educational experience, which included visiting the many museums and monuments in our nation's capital city. At each site, she had the opportunity to learn how leaders use their "voice" to take a stand and make a difference.

The City of Riverdale is pleased to know that Ashley will continue to represent the city in the years to come.
